No Smoking (Vaping) Policy

Training Depot Day Nursery operates a No Smoking Policy on the Nursery premises and on the Nursery grounds. No smoking / vaping signs are displayed on the premises.

Staff, parents and visitors are NOT permitted to smoke / Vap on the Nursery Premises or on the Nursery grounds. They are NOT permitted to smoke / Vap when the children are present or about to be present including on Nursery trips and outings.

All students from school and college are made aware of our No Smoking / Vapping Policy during their Induction Visit.

Staff are made aware of our No Smoking / Vapping Policy during their interview. Staff are not permitted additional breaks for the purpose of smoking. The staff are NOT permitted to smoke on the Nursery Premises or on the Nursery grounds. They are NOT permitted to smoke when the children are present or about to be present including on Nursery trips and outings.

If a member of staff is found to be smoking on the Nursery premises or on the Nursery grounds, they will face disciplinary action, a verbal warning will be issued.
